**Subject: Activity Report of the Camel Workshop at IDS, UAF**

*Dear Sir:*

The Camel Workshop and CAP meeting was organized by the Institute of Dairy Sciences (IDS) with the help of Camel Association of Pakistan (CAP) on May 30, 2015 (Sat).

The activities of all over the day included the registration of the participants in the Faculty (9-11 am) and seminar in Old Senate Hall (11 am -1 pm). The seminar part also covered the reports from different committee, CAP budget affairs, sustainability of DAACHI MILK launched and the venue of next World Camel Day 2015, etc. The event was followed by camel tea and lunch with camel dishes in the Faculty at 1:30 pm.

Despite that day was full of activities at Campus, many Faculty, students and camel lovers attended this workshop. Our guests farmers from Cholistan, Khanoana Faisalabad, and some special guest from Sindh: Dr Jaimal Dhanani from BBSUAVS and Dr Pershotam Khatri from SAU, Tnadojam. Dr M Ashraf Iqbal Mughal Ex-DLF was the guest of Honor.

The day long activities are presented on the required format for your office record and further perusal please. The dossier contains the activity report, presentation of the CAP president's report, camel marketing opportunities, list of participants and pictures of the event, etc.

The financial help extended by your Office is highly appreciated.

**Dr Muhammad Younas**  
*Prof and Director*

About 100-150 people including faculty teachers, students, scientists, camel breeders plus CAP members and some delegate from the provinces.

*(List attached as Annexure # 3)*

## 5. Objectives of the Event:

- *This was an activity of one day as Camel Workshop and CAP meeting*
- *Camel attributes to appraise the people, students, Faculty, general audience and media involved in camel research and its propagation.*
- *Encouragement of R&D on Camel Production and Health in Pakistan.*
- *Students were involved for work and awareness thru seminar and other activities*
- *Camel is considered a future animal and we think that people should know that it can attract a lot of foreign exchange through camel exports, camel products and their value addition.*

- *A seminar on Camel buying and selling in Cholistan was added. The opportunities and threats were discussed.*
- *Awareness created about encouragement of Legal Trade but not illegal trade.*
- *Highlighted the CAP objectives and to increase its membership*
- *Programs and workshops to oversee the interest of camel specie and camel herders in the country thru CAP.*
- *To encourage to be host and conduct of CAP activities and to invite ISOCARD (International Society of Camelids Research and Development) at this Campus in the near future.*
- *Conduct of Election for the new Cabinet for next 3 years.*

## **6. Detailed Proceedings of the Event:**

**(Marketing Opportunities of Camel, PI see the Annexure # 6)**  
**(Pictures of the Event, PI see the Annexure # 7)**  
**(Flex of the event, PI see the Annexure # 8)**

## **7. Outcome of the Event:**

- *Reports presented and evaluated for future frame work.*
- *Organization of forthcoming World Camel Day 2015, its venue and its programs.*
- *Increase membership of the CAP, its ways and means.*
- *Activities for students and teachers to enhance awareness about camel attributes.*
- *Conduct of camel sports in the forthcoming WCD 2015.*
- *Its' export further can bring a lot of revenue to the camel herders/breeders.*
- *We have received many orders for buying Pakistani camels, which we will direct for the benefit of the Rohi herders.*
- *We are in process of inviting some investors who will be interested in buying our camel and establish camel dairies in Pakistan for milk and meat value addition.*
- *Institute of Dairy Sciences (IDS) has launched a brand **DACHI MILK** for preserving it in future.*
- *Promotion of camel beef and beef industry will lead to patenting.*
- *Our scientist and students are ready to present their papers at ISOCARD Con at Almaty, Kazakhstan.*
- *Camel projects have become on high priority for many local donor agencies. We submitted two projects and one has been approved at ASLP.*
- *This has provided a chance to researchers, students, breeders and investors of other countries to see the camel wealth of Pakistan and to review its progress and research work done in the country.*
- *The scope of ISOCARD Conference/meeting in Pakistan has gained impetus.*
- *Farmer's interaction has increased and camel breeders are willing to participate in Dept/Institute outreach programs.*

## 8. Results of the Impact Assessment:

- *World Camel Day (June 22) each year has become a favorite function.*
- *Motivation of students and Faculty for above mentioned events.*
- *Involvement of the farmers especially the camel breeders, who will be ultimate beneficiaries of these events.*
- *Students are getting trainings in camel husbandry, management, prophylaxis and health.*
- *Conduct of international shows on camel in Thal, Cholistan and Balochistan.*
- *That will attract many people from the globe and will help build image of camel and over beloved country, Pakistan.*
- *CAP is expecting a cascade of events by researchers and other camel breeders from the country and other working groups on various aspects of camel husbandry, production, management and health. Boosting its potentials and ultimate the students and farmers will be the most beneficiaries.*
- *The CAP efforts have been applauded in the country and this event will lay down the foundation of many concerted efforts to propagate the camel specie.*
- *To bring ISOCARD in Pakistan which will be a hallmark in the country as most of the good health specimens of the camel are purchased by the Middle East people who have the money to invest in camel racing, camel dairying, and camel milk value chain, etc.*
- *Students will have more exposure to this specie. New faculty members and post grads will benefit from these enhanced R&D activities, farmers' will get benefit and training thru TOT activities to get most benefit from the camel. Ultimate beneficiaries will be camel herders who will get their share by selling the best animals to the world.*
- *Best camel dairies of the world have our camels. Best racing animals have the blood of our animals.*

## MINUTES OF THE CAMEL WORKSHOP HELD ON MAY 30, 2015 AT UAF

The Camel Workshop and annual meeting of the Camel Association of Pakistan (CAP) was organized at Institute of Dairy Sciences, Faculty of Animal Husbandry at University of Agriculture, Faisalabad (UAF) on May 30, 2015. The meeting was Chaired by Prof Dr Muhammad Sarwar, Dean Faculty of Animal Husbandry (FAH), UAF in Old Senate Hall. Prof Dr Jaimal Dhanani, Ex Vice Chancellor SBBUAVS, Sakrand and Dr Muhammad Ashraf Mughal, Ex DLF also decorated the podium along with the Dean, FAH.

After the Registration session (9-11 am) at the Faculty, the workshop started at 11 am in Old Senate Hall, UAF. The proceedings started with the recitation of the Holy Quran by Qari Abdullah Hashim and Naat-Rasool-e-Maqbool by Kashif Iqbal.

Prof Dr Muhammad Younas, Director Institute of Dairy Sciences (IDS) and President CAP presented his detailed report covering three 3 years (2012-2015). The report included the background of World Camel Day (WCD), inception of CAP, its vision, mission and objectives, events organized like WCD(s), International Camel Conf of Pakistan (ICCP), camel extension programs, Doodh Melas, International Linkages, ISOCARD, website development, visits to Rohi herders & Rakh Mahni, Biocultural Community Protocol and related other related events organized and attended. Future thrust and hopes were also presented. What could be done with a winning team was detailed out. Presentation ended at the acknowledgements of all hand and minds who helped in these events to occur (*copy attached*). A special mention of the Endowment Fund Secretariat (EFS) and ORIC was made at this occasion, without their help these activities were impossible.

Rao Abdul Qadeer presented his experience with Rohi herders, camel selling and buying by Middle East buyers from Cholistan, pros and cons of the camel marketing and opportunities for camel herders. He also presented his feelings and experiences regarding Nagoya Protocol meeting at FAO in Italy in Nov 26-28, 2014. FAO invited the CAP to send somebody involved in Biocultural Protocol of Rohi people in Cholistan.

The budget report was presented by Dr Muhammad Lateef, the Treasurer of the CAP. The balance was in negative. He encouraged the audience to get registered with CAP to raise its funds.

The Election was the next item. Dr Muhammad Sarwar suggested the better way of electing the new cabinet through net ballot after announcing the Election Commissioner way before the elections take place. After a long discussion, it was unanimously decided that this cabinet may devise this system, raise membership of the CAP so that proper election can take place. Till then this cabinet was asked by the General Body to continue for next 3 years or till further election. President accepted this suggestion with heavy heart and asked the general body to at least fill in all the posts of the CAP. The audience suggested some people to take the positions which were vacant in the Cabinet.

Prof Dr Jaimal Dhanani was asked to present report from the Sindh province. He appreciated the report of the President and further requested the Cabinet to celebrate the World Camel Day 2015 at Umarnot (any time after Eid) as they have established a new Institute of Camel. This event will cover the both WCD 2015 and the Inauguration of the Camel Institute at Umarnot, Sindh.

Dr Pershotam Khatri, Assistant Professor at Sindh Agricultural University (SAU), Tandojam was invited and he expressed his views. He also mentioned that SAU Tandojam is organizing an International Camel Symposium and Workshop in coming Dec-Jan. He highlighted the International Symposium and Workshop importance, its main streams and invited all audience to send their abstracts and participate in this International event at Tandojam.

Word of thanks was extended by the Dean, Faculty of Animal Husbandry. He thanks the CAP President and his Cabinet for doing a great work. The meeting adjourned at 1 pm.

Pasteurized bottled milk as the trade mark of "DAACHI MILK" was on sale at the Registration Desk. This was launched at the eve of the World Camel Day 2014 at UAF.

All participants were extended word of thanks and were served lunch with Camel dishes (1:30 pm) after the prayer break in the Faculty.
